About Ambit Energy

Ambit Energy provides electricity and natural gas services in deregulated markets across the United States and Japan, marketed through a direct sales channel of more than 400,000 Independent Consultants. Ambit was established in 2006 with one simple goal in mind: to be the finest and most-respected retail energy provider. To that end, the Ambit team has built an award-winning Customer Care Center, as well as great relationships with energy partners, consultants and customers alike. The strategy is working. The company appeared on Inc. Magazine's list of the fastest growing private companies for six consecutive years, including

No. 1 overall in 2010. With more than 1.2 million customers, and \$1.2 billion in revenue, Ambit was named the world's largest direct seller of energy by Direct Selling News for the last four consecutive years.
