

Ambit Energy Ranked the Largest Direct Seller of Energy in the World According to Direct Selling News

DALLAS, TX – April 20, 2017 – [Ambit Energy](#), a leading national retail energy provider and the largest direct seller of energy, ranked **No. 16 on the 2017 Direct Selling News Global 100** list of the largest direct sales companies in the world with an annual revenue of \$1.2 billion in 2016.

Ambit, which operates in 16 deregulated states and Washington D.C., first claimed the title of the largest direct seller of energy in the world in 2013. This placement makes Ambit the largest direct seller of energy in the world for the fifth consecutive year.

“For more than a decade, our goal at Ambit Energy has been to become the finest and most-respected retail energy provider in America,” said Jere Thompson, Jr., co-founder and chief executive officer of Ambit. “Being recognized on the DSN Global 100 for the seventh consecutive year demonstrates our history of excellence, as well as the continued dedication of our Independent Consultants and the entire Ambit team. We are honored to be one of many successful direct selling companies that have established a reputation built on exceptional products and services, while having the privilege of enabling hundreds of thousands of hardworking people the opportunity to build a successful business.”

Founded in 2006 by Thompson and Chris Chambless, Ambit provides electricity and natural gas services to more than 1.3 million customers nationwide using a direct sales channel of more than 400,000 Independent Consultants.

The annual ranking produced by *Direct Selling News* magazine offers a unique perspective of the global direct selling industry and provides competitive information for its members, researchers, investors and those seeking opportunities to build a career within the industry.

About Ambit Energy

Ambit Energy provides electricity and natural gas services in deregulated markets across the United States, primarily marketed through a direct sales channel of more than 400,000 Independent Consultants. Ambit was established in 2006 with one simple goal in mind: to be the finest and most-respected retail energy provider in America. To that end, the Ambit team has built an award-winning Customer Care Center, as well as great relationships with energy partners, consultants and customers alike. The strategy is working. Ambit was named the fastest-growing private company in the country in 2010 by Inc. Magazine and the largest direct seller of energy in the world by Direct Selling News in 2016. The company has already surpassed milestones of 1.3 million customers and \$1.4 billion in annual sales.
