

## Ambit Energy Adds Large Commercial Services in Pennsylvania

DALLAS – Nov 1, 2017 – [Ambit Energy](#), the world's largest direct seller of energy and a leading national retail energy provider, today announced the company has expanded its [commercial and industrial electricity services](#) in Pennsylvania. Enrollment is now available to an estimated 165,000 businesses in the service areas of eight local utilities throughout the state.

Ambit's commercial operations have offered services to businesses both large and small since 2006. The company now services more than 44,000 commercial meters in Texas and Illinois, and looks forward to future expansion in new markets.

"The continued growth of our commercial and industrial services reflects the value and satisfaction we are able to bring our customers, while also offering a wide array of options that provide business owners with the potential to save on certain electricity related costs," said David Visneau, SVP of Commercial Products and Sales. "The commercial sector is a significant opportunity for Ambit, and allows us to continue to build our solid foundation of service in the markets we serve."

Business customers in the following service areas are eligible to sign up with Ambit Energy: [PPL Electric Utilities](#), [PECO](#), [West Penn Power](#), [Penelec](#), [Met-Ed](#), [Duquesne Light Company](#), [Penn Power](#) and [UGI](#).

Founded in 2006 by Jere Thompson Jr. and Chris Chambless, Ambit provides electricity and natural gas services in deregulated markets in 16 U.S. states, Washington D.C., Japan and Canada, primarily using a direct sales channel of more than 400,000 Independent Consultants.

### **About Ambit Energy**

Ambit Energy provides electricity and natural gas services in deregulated markets across the United States, Japan and Canada, marketed through a direct sales channel of more than 400,000 Independent Consultants. Ambit was established in 2006 with one simple goal in mind: to be the finest and most-respected retail energy provider. To that end, the Ambit team has built an award-winning Customer Care Center, as well as great relationships with energy partners, consultants and customers alike. The strategy is working. The company appeared on Inc.Magazine's list of the fastest growing private companies for six consecutive years, including No.1 overall in 2010. With more than 1.2 million customers, and \$1.2 billion in revenue, Ambit was named the world's largest direct seller of energy by Direct Selling News for the last four consecutive years.
