Ambit Cares Announces \$50,000 Donation to Aid COVID-19 Relief Efforts by Feeding Families in Need

Donation from Ambit Energy's non-profit organization will fund Feeding America® and the fight against hunger

DALLAS — April 24, 2020 — Ambit Cares, Ambit Energy's non-profit organization dedicated to fighting hunger in America, today announced that it is committing \$50,000 to Feeding America®, the nation's largest organization dedicated to fighting domestic hunger, as part of an effort to help people affected by COVID-19.

"The Ambit Energy community is a force for good to help change the lives of those in need by fighting hunger. We are honored to contribute these funds to Feeding America, which is working tirelessly to help ensure that food banks provide for our neighbors impacted by school closures, job disruptions, and health risks," said Scott Hudson, president of Vistra Retail, of which Ambit is a subsidiary. "While the effects of the COVID-19 pandemic continues to unfold, we will continue to step-up for those in need."

Because Feeding America coordinates its efforts through a nationwide network of food banks, the funds donated by Ambit Cares will go directly to the communities and individuals served by Ambit Energy.

"We are grateful to Ambit Energy for being a partner of Feeding America before the COVID-19 pandemic and for stepping up to support their neighbors in need during this critical time," said Lauren Biedron, vice president of corporate partnerships at Feeding America. "Member food banks are committed to helping people in need, and this donation will help families continue to put food on their tables during this crisis."

Ambit Cares became a supporting partner of Feeding America in 2018. This \$50,000 donation is part of a [\\$2 million commitment](#) to non-profits and social service agencies across the country from Ambit's parent company, Vistra. Serving nearly five million residential, commercial, and industrial retail customers with electricity and natural gas, Vistra is the largest residential electricity provider and the largest competitive power generator in the U.S.

A registered 501(c)(3) non-profit, Ambit Cares was founded in 2015 by Ambit Energy as part of the company's corporate social responsibility initiative to provide an opportunity for employees and consultants to help fight hunger in their communities. The company organizes corporate volunteer opportunities, donation events throughout the year, and encourages consultants to participate in local efforts that work toward ending hunger, which affects one in eight people in America.

About Ambit Cares

In the communities where we live and work, it's our goal to make them a better place. By mobilizing the Ambit Energy community, Ambit Cares works to address a very important issue that affects one in eight people in America: hunger. Ambit Cares advocates volunteerism and provides opportunities for the Ambit community to give back through donations that support the cause and by participating in local efforts that work toward ending hunger. Ambit Cares is a 501 (c)(3) non-profit recognized by the IRS.

About Ambit Energy

Ambit Energy provides electricity and natural gas services in deregulated markets across the United States, primarily marketed through a direct sales channel of Independent Consultants. More than 600,000 Independent Consultants have joined the company to pursue the Ambit Opportunity. Ambit was established in 2006 with one simple goal: to be the finest and most-respected retail energy provider in America. To that end, the Ambit team has built an award-winning customer care center, as well as great relationships with Consultants and customers alike. Today, Ambit is stronger than ever, backed by the power of Vistra, a Fortune 350 integrated energy company. For more information about Ambit Energy's rates and services or to join the Ambit Energy team, visit www.ambitenergy.com or call (877) 282-6248.

About Feeding America®

About Feeding America® is the largest hunger-relief organization in the United States. Through a network of 200 food banks and 60,000 food pantries and meal programs, we provide meals to more than 40 million people each year. Feeding America also supports programs that prevent food waste and improve food security among the people we serve; educates the public about the problem of hunger; and advocates for legislation that protects people from going hungry. Individuals, charities, businesses, and government all have a role in ending hunger. Donate. Volunteer. Advocate. Educate. Together we can solve hunger. Visit www.feedingamerica.org to learn more.
